Lisa: we'll be coming out with our "daily report" later this afternoon. With the exception of recounting our activities yesterday - I don't think there is anything that is critical to discuss... with the exception of a hand full of articles yesterday and today based on our press release, it's been quiet.. I'll leave it up to you if would want a conference call. Please advise and we'll collect the troops to discuss.

Lisa - I am on the road tomorrow and not sure if I could call in. I think things are moving ahead well. Tomorrow we will probably start to hear from the critics of our announcement. I think we should play it by ear if you, Ron, Dennis and others should get on the phone and have a chat. Does that work?

Thanks - Shawn

Shawn,

I know Mathy and Bob S. aren't available for our weekly call tomorrow. Do you think we need one as I'm presuming things are continuing as planned.
